An affidavit to all and to whom it may concern:

We wish to state and testify that Campana Tech is and has been our supplier for cabinet doors, drawers, and ancillary items. Always, the company has performed excellently in all aspects of our business transactions: the quality of its products, the timeliness of service, and the manner of response to any issues regarding its products and services.

It has been our privilege to have had a business relationship with Campana Tech for circa thirty years.

You are welcome to contact me for whatever concern or questions you might have.
